RENTAL COST & CHOICES (see content and pricing sheet for description):

- ☐ $150.00 usage fee (Trailer & Contents Only)
- ☐ $70 usage fee (Additional Inflatable)
  27 Foot Colorful Combo or Volleyball Court

If the trailer is damaged or large items in it have to be replaced due to carelessness or negligence, a claim with your insurance may need to be filed.

A project representative(s) from your church must attend a training session before the rental plans for the church are finalized. (Once a person from your church has been trained, your church doesn't have to attend training again in the future as long as your trained person(s) continues to supervise the trailer's use.)

Churches must sign a hold harmless and liability waiver. Churches also agree to assume financial responsibility for damages up to and including completely replacing the unit. Proof of insurance must be provided to cover both the trailer and its contents, and for liability against injuries incurred at your event through the use of the inflatable.

Deadline for priority reservations is April 1st. DRBA churches will be given the first opportunity to make reservations. After April 1st, we will start taking requests from SBC churches outside the DRBA.

The DRBA Evangelistic Block Party Trailer is for the EXCLUSIVE use of the churches in the Duck River Baptist Association. In addition, trailer rental and use is intended ONLY for official church events and not for the private use of individual church members.

Please submit a separate form for each different event.
